## IBD FOUNDATION GEEK ARTIFICIAL NAIL COURSE

This course offers a balance between the theory and practical application skills for artificial nails, with plenty of time in-between each day for you to practice. This ensures you get the best from each day spent with your educator and helps you make the transition through from novice to nail tech.

Master these simple but stunning techniques that offer a daily alternative to wearing mascara and using mechanical eyelash curlers. Ideal for the complete beginner this course includes Salon System's LASHLIFT, LASHCURL and essential lash and brow tinting. Initial investment is low and profit return high. Now includes the latest new LIFT & TINT technique, a combined treatment for optimum results.
