CREATIVE CUTTING

Monday 17th September 2018

Full Day Course

£95 plus VAT

Shape it, cut it, texture it! Asymmetry, disconnections and creative techniques all combine to make commercial styles. Open to existing hairdressers and stylists. Bring a picture of a haircut you would like to achieve! A experienced educator will guide you through your creation on a training head in the morning and then assist you in making a more 'high street' creative cut on a live model in the afternoon. Suitable for hairdressers who are looking to refine and develop skills & that want to think creatively and cut outside the box!
